I. Introduction

1. At its first and second meetings, on 15 September 1999, the General Committee considered a memorandum by the Secretary-General relating to the organization of the fifty-fourth regular session and future sessions of the General Assembly, the adoption of the agenda and the allocation of items (A/BUR/54/1 and Add.1). A summary of the discussion will appear in the summary records of the meetings (A/BUR/54/SR.1 and 2).

2. At the suggestion of the Secretary-General in paragraph 3 of his memorandum (A/BUR/54/1), the General Committee draws the attention of the General Assembly to the provisions reproduced in annexes V, VI, VII and VIII to its rules of procedure.

3. The General Committee took note of annex I (Guidelines on the rationalization of the agenda of the General Assembly) to General Assembly resolution 48/264 of 29 July 1994, entitled "Revitalization of the work of the General Assembly", of the annex to resolution 51/241 of 31 July 1997, entitled "Strengthening of the United Nations system", and of paragraph 1 of resolution 52/163 of 15 December 1997, entitled "Amendment to rule 103 of the Rules of Procedure of the General Assembly". The provisions of the resolutions are reflected in the present document under the relevant sections.

4. The Committee also took note of the reports of the Secretary-General on the implementation of General Assembly resolutions 48/264 (A/52/856) and 51/241 (A/52/855).

II. Organization of the session

A. General Committee

5. The General Committee took note of the decisions of the General Assembly relevant to its work that had been brought to its attention by the Secretary-General in paragraph 5 of his memorandum (A/BUR/54/1).

B. Rationalization of work

6. The General Committee took note (A/BUR/54/1, paras. 6 and 7) of the measures undertaken by the Secretary-General in pursuance of the goal of renewal and reform, in particular to recommendations 2, 3 and 7 of the Group of High-level Intergovernmental Experts to Review the Efficiency of the Administrative and Financial Functioning of the United Nations[1] as reflected in his progress reports on the implementation of General Assembly resolution 41/213 of 19 December 1986, entitled "Review of the efficiency of the administrative and financial functioning of the United Nations". The Committee also took note of resolution 48/264, entitled "Revitalization of the work of the General Assembly" and annex I thereto and resolution 52/12 B of 19 December 1997, entitled "Renewing the United Nations: a programme for reform".

7. At the suggestion of the Secretary-General (A/BUR/54/1, para. 8), the General Committee draws the General Assembly's attention to paragraph 5 of the annex to resolution 45/45 (A/520/Rev.15 and Amend.1, annex VIII), which reads as follows:

[1] *Official Records of the General Assembly, Forty-first Session, Supplement No. 49* (A/41/49).

"5. The General Committee should consider, at the beginning of each session of the General Assembly, recommending that certain Main Committees should meet in sequential order, taking into account such matters as the number of meetings required for the consideration of the questions with which they are charged at that session, the organization of the work of the whole session and the problem of participation of small delegations."

8. In this connection, the Committee also draws the Assembly's attention to paragraphs 30, 31 and 36 of the annex to resolution 51/241, which read as follows:

"30. All Main Committees shall hold brief organizational sessions once the General Assembly has taken decisions on the agenda, before the commencement of the general debate. Bureaux of the Main Committees shall meet earlier to draw up recommendations on the organization and programme of work.

"31. The Main Committees shall meet in substantive session only after the end of the general debate.

...

"36. The First Committee and the Fourth Committee shall not meet simultaneously and may consider meeting in a sequential manner during the regular session of the General Assembly. This arrangement shall not apply if it affects their respective identities, programmes of work and effective consideration of their agendas."

9. At the suggestion of the Secretary-General (A/BUR/54/1, para. 9), the General Committee took note of paragraph 1 of General Assembly resolution 52/163, which reads as follows:

"1. *Decides* to amend the first sentence of rule 103 of the rules of procedure of the General Assembly to read: 'Each Main Committee shall elect a Chairman, three Vice-Chairmen and a Rapporteur'".

10. The General Committee took note of the fact that measures introduced to reduce costs relating to overtime would be strictly enforced.

C. Closing date of the session

11. In accordance with the provisions of rule 2 of the rules of procedure, the General Assembly should fix a closing date for the fifty-fourth session. The General Committee took note that the Assembly had decided, by its resolution 53/239 of 8 June 1999, that the fifty-fourth session would close on Tuesday, 5 September 2000. The General Committee recommends to the Assembly that the fifty-fourth session recess not later than Tuesday, 14 December 1999. The Committee also recommends to the Assembly that the First, Special Political and Decolonization (Fourth Committee) and Sixth Committees should complete their work by Friday, 19 November, the Third Committee by Monday, 22 November, the Second Committee by Friday, 26 November and the Fifth Committee by Friday, 10 December 1999.

D. Schedule of meetings

12. At the suggestion of the Secretary-General (A/BUR/54/1, para. 12), the General Committee recommends to the General Assembly that morning meetings start at 10 a.m. promptly for all plenary meetings and meetings of the Main Committees during the fifty-

fourth session. The Committee also recommends to the Assembly that, as a cost-saving measure, every effort be made to ensure that plenary meetings and meetings of the Main Committees adjourn by 6 p.m., and that no meetings be held on weekends with the exception of the general debate (see para. 20 (e) of General Assembly resolution 51/241, A/53/PV.97 and para. 15 below). The Committee also recommends to the Assembly that this cost-saving measure also apply, for the remainder of 1999, to meetings on the calendar of conferences and meetings of the United Nations.

13. Also at the suggestion of the Secretary-General (A/BUR/54/1, para. 13), the General Committee recommends that, in order to avoid the late start of meetings, the General Assembly waive the requirement of the presence of at least one third of the members to declare a plenary meeting open and permit the debate to proceed and one quarter of the members to declare a meeting of a Main Committee open and permit the debate to proceed. This recommendation is made on the understanding that such a waiver would not imply any permanent change in the provisions of rules 67 and 108 of the rules of procedure and that the requirement of the presence of a majority of the members for any decision to be taken would be maintained.

14. In this connection, the General Committee also recommends to the General Assembly that delegations be reminded of the utmost importance of punctuality in the interest of ensuring an effective and orderly organization of work and achieving economies for the United Nations.

E. General debate

15. The General Committee took note of the fact that the general debate would be held from Monday, 20 September, to Saturday, 25 September, and from Wednesday, 29 September, to Saturday, 2 October 1999, in accordance with the relevant provisions of the annex to resolution 51/241 (paras. 19 and 20 (a) and (e)), which read as follows:

> "19. There shall continue to be only one general debate each year, beginning in the third week of September.
>
> "20. The preparation of the list of speakers for the general debate shall be based on the following principles:
>
> "(a) The general debate shall be organized over a period of two weeks so as to maximize possibilities for interministerial contacts;
>
> ...
>
> "(e) The list of speakers for each day shall be completed and no speakers will be rolled over to the next day, notwithstanding the implications for hours of work."

16. The General Committee draws the attention of the General Assembly to paragraph 21 of the annex to resolution 51/241, which reads as follows:

> "21. There shall be no time limits or specified themes for the general debate but the General Assembly will indicate a voluntary guideline of up to twenty minutes for each statement."

17. The General Committee endorsed the suggestion of the Secretary-General that the list of speakers in the general debate should be closed on Wednesday, 22 September, at 6 p.m., in accordance with the recommendation of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly (A/520/Rev.15, annex V, para. 46).

18. The General Committee also draws the General Assembly's attention to the decision taken by the Assembly at previous sessions, namely, that the practice of expressing congratulations inside the General Assembly Hall after a speech has been delivered is strongly discouraged. In this connection, the Committee recommends to the Assembly that speakers in the general debate, after delivering their statements, leave the General Assembly Hall through room GA-200 located behind the podium before returning to their seats.

F. Explanations of vote, right of reply, points of order and length of statements

19. At the suggestion of the Secretary-General (A/BUR/54/1, para. 19), the General Committee draws the attention of the General Assembly to paragraphs 6, 7 and 8 of its decision 34/401 (A/520/Rev.15, annex VI), which read as follows:

> "6. Explanations of vote should be limited to ten minutes.
>
> "7. When the same draft resolution is considered in a Main Committee and in plenary meeting, a delegation should, as far as possible, explain its vote only once, i.e., either in the Committee or in plenary meeting, unless that delegation's vote in plenary meeting is different from its vote in the Committee.
>
> "8. Delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for that day and whenever such meetings are devoted to the consideration of the same item."

20. At the suggestion of the Secretary-General (A/BUR/54/1, para. 20), the General Committee, in line with time limits for explanations of vote and right of reply, recommends to the General Assembly that points of order be limited to five minutes.

21. With a view to streamlining the procedures of the General Assembly and as another cost-saving measure, the General Committee, in connection with the length of statements, draws the attention of the Assembly to paragraph 22 of the annex to resolution 51/241, which reads as follows:

> "22. Outside the general debate there shall be a fifteen-minute time limit in plenary meetings and in the Main Committees."

22. In this connection, the Committee also draws the attention of the Assembly to the report of the Secretary-General on the implementation of resolution 51/241 (A/52/855), in particular to paragraph 23, which reads as follows:

> "23. *Paragraph 22*. Since in plenary meetings the length of statements in debates other than the general debate averages eight minutes, the General Assembly may wish to review the recommendation contained in paragraph 22."

23. Furthermore, in connection with the length of statements, with a view to streamlining the procedures of the General Assembly and as a cost-saving measure, the General Committee draws the attention of the Assembly, as it did at recent sessions, to rules 72 and 114 of the rules of procedure and paragraph 22 of annex VI thereto for appropriate action in plenary meeting and the Main Committees.

G. Records of meetings

24. As at past sessions (A/BUR/54/1, para. 22), verbatim records will continue to be provided, during the fifty-fourth session, for the plenary meetings of the General Assembly and meetings of the First Committee, and summary records will be provided to the General Committee and the Main Committees of the Assembly. In accordance with the recommendation of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly (A/520/Rev.15, annex V, para. 108 (b)), the General Committee recommends that the Assembly maintain for the fifty-fourth session the practice whereby the Special Political and Decolonization Committee (Fourth Committee) may obtain, on specific request, transcriptions of the debates of some of its meetings, or portions thereof. These transcriptions, which would not be part of the official records of the Committee, would be provided as the required services became available. Furthermore, the General Committee draws the Assembly's attention to paragraphs 8 and 9 of its resolution 38/32 E of 25 November 1983, which read as follows:

> "8. *Decides* that the practice of reproducing statements *in extenso* as separate documents shall be discontinued for all its subsidiary organs that are entitled to summary records;
>
> "9. *Decides further* that any exceptions to this rule may be made by the body concerned only if the statements are to serve as bases for discussion and if, after hearing a statement of the relevant financial implications, the body decides that one or more statements *in extenso* may be included in the summary record, or reproduced as separate documents or as annexes to authorized documents."

In this connection, the General Committee also recommends to the Assembly that the practice not to reproduce *in extenso* statements made in a Main Committee be maintained for the fifty-fourth session.

H. Concluding statements

25. At the suggestion of the Secretary-General (A/BUR/54/1, para. 24), the General Committee draws the General Assembly's attention to paragraph 17 of its decision 34/401 (A/520/Rev.15, annex VI), which reads as follows:

> "17. To save time at the end of the session, the practice of making concluding statements in the General Assembly and its Main Committees should be dispensed with except for statements by the presiding officers."

I. Resolutions

26. At the suggestion of the Secretary-General (A/BUR/54/1, para. 25), the General Committee draws the General Assembly's attention to paragraph 32 of its decision 34/401, which reads as follows:

> "32. Whenever possible, resolutions requesting the discussion of a question at a subsequent session should not call for the inclusion of a separate new item and such discussion should be held under the item under which the resolution was adopted."

27. Furthermore, at the suggestion of the Secretary-General (ibid., para. 26), the General Committee draws the General Assembly's attention to recommendation 3 (f) of the Group of High-level Intergovernmental Experts,[1] which reads as follows:

> "(f) Efforts should be made to reduce the number of resolutions adopted by the General Assembly. Resolutions should request reports of the Secretary-General only in cases where that would be indispensable for facilitating the implementation of these resolutions or the continued examination of the question."

28. In this connection, the General Committee draws the attention of the General Assembly to paragraph 5 of its resolution 48/264, which reads as follows:

> "5. *Encourages* Member States to exercise restraint in making proposals requesting new reports of the Secretary-General, bearing in mind the desirability of reducing the number of such reports."

29. The General Committee also draws the attention of the General Assembly to paragraphs 1 and 10 of the annex to resolution 45/45 (A/520/Rev.15/Amend.1, annex VIII).

J. Documentation

30. On the proposal of the Secretary-General (A/BUR/54/1, para. 29), the General Committee draws the General Assembly's attention to paragraph 28 of its decision 34/401, which reads as follows:

> "28. The General Assembly, including its Main Committees, should merely take note of those reports of the Secretary-General or subsidiary organs which do not require a decision by the Assembly and should neither debate nor adopt resolutions on them, unless specifically requested to do so by the Secretary-General or the organ concerned."

31. The General Committee also draws the attention of the General Assembly to paragraph 6 of its resolution 48/264, which reads as follows:

> "6. *Emphasizes* that reports requested of the Secretary-General should be made available in all official languages in a timely manner in accordance with the rules of procedure of the General Assembly and the annexes thereto with a view to enabling delegations to consider the substance of such reports more thoroughly in advance of meetings."

The Committee also draws the attention of the Assembly to paragraph 3 of resolution 53/208 B of 18 December 1998, in which the Assembly once again requested the Secretary-General "to ensure that documentation is available in accordance with the six-week rule for the distribution of documents simultaneously in each of the six official languages of the General Assembly".

32. The General Committee further draws the attention of the General Assembly to paragraph 32 of the annex to resolution 51/241, which reads as follows:

> "32. The number of reports requested shall be rationalized where possible so as to permit more focused consideration of issues. All bodies shall exercise restraint in making proposals containing requests for new reports and should consider integrating, biennializing or triennializing the presentation of reports, bearing in mind paragraphs 6 and 7 of General Assembly resolution 50/206 C of 23 December 1995."

K. Questions related to the programme budget

33. At the suggestion of the Secretary-General (A/BUR/54/1, paras. 32 and 33), who referred to rule 153 of the rules of procedure, the General Committee draws the General Assembly's attention to paragraphs 12 and 13 of its decision 34/401, which read as follows:

> "12. It is imperative that Main Committees should allow sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee and that they should take this requirement into account when they adopt their programme of work;
>
> "13. Furthermore:
>
> "(a) A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications;
>
> "(b) The Fifth Committee should, as a general practice, consider accepting without debate the recommendations of the Advisory Committee on Administrative and Budgetary Questions on the financial implications of draft resolutions up to a prescribed limit, namely, $25,000 on any one item;
>
> "(c) Firm deadlines should be set for the early submission of the reports of subsidiary organs which require consideration by the Fifth Committee;
>
> "(d) A minimum period of forty-eight hours should be allowed between the submission and the voting of a proposal involving expenditure in order to allow the Secretary-General to prepare and present the related statement of administrative and financial implications."

In this connection, see also paragraph 45.

34. The General Committee also draws the attention of the Assembly to paragraph 6 of its resolution 35/10 A of 3 November 1980, which reads as follows:

> "6. *Decides* that all proposals affecting the schedule of conferences and meetings made at sessions of the General Assembly shall be reviewed by the Committee on Conferences when administrative implications are being considered under the requirements of rule 153 of the rules of procedure of the Assembly."

35. Also at the suggestion of the Secretary-General (ibid., para. 32), the General Committee draws the General Assembly's attention to regulation 5.9 of the Regulations Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation (resolution 37/234, annex; most recently amended by the General Assembly in section III of resolution 53/207), which reads as follows:

> "*Regulation 5.9*. No Council, Commission or other competent body shall take a decision involving either a change in the programme budget approved by the General Assembly or the possible requirement of expenditure unless it has received and taken account of a report from the Secretary-General on the programme budget implications of the proposal."

36. In connection with subparagraph 13 (d) of decision 34/401 quoted above, the General Committee wishes to draw the attention of the General Assembly to the observations of the Secretary-General (A/BUR/54/1, paras. 34 and 35) regarding the fact that, depending on the type and complexity of proposals involving changes in the work programme and

additional expenditures, the preparation of a statement of programme budget implications by the Secretary-General may take a few days. In addition, the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee need adequate time to review the programme budget implications of a draft resolution before the latter can be acted on by the Assembly. The Secretary-General thus considers it desirable that Member States submit proposals involving statements of programme budget implications sufficiently in advance to avoid the cancellation of meetings and the postponement of consideration of items.

37. At the suggestion of the Secretary-General (A/BUR/54/1, para. 36), the General Committee also draws the attention of the Assembly to section VI of its resolution 45/248 B of 21 December 1990 on procedures for administrative and budgetary matters, which states:

> "1. *Reaffirms* that the Fifth Committee is the appropriate Main Committee of the General Assembly entrusted with responsibilities for administrative and budgetary matters;
>
> "2. *Reaffirms also* the role of the Advisory Committee on Administrative and Budgetary Questions;
>
> "3. *Expresses its concern* at the tendency of its substantive Committees and other intergovernmental bodies to involve themselves in administrative and budgetary matters;
>
> "4. *Invites* the Secretary-General to provide all intergovernmental bodies with the required information regarding procedures for administrative and budgetary matters."

The General Committee further draws the attention of the General Assembly to its resolution 52/220 of 22 December 1997, in which it reaffirmed the provisions of the aforementioned resolution.

L. Observances and commemorative meetings

38. At the suggestion of the Secretary-General (A/BUR/54/1, para. 37), the General Committee recommends to the General Assembly that, with the exception of the anniversary of the United Nations, the Assembly should adopt the following format for commemorative meetings: statements by the President of the General Assembly and the Secretary-General, statements by the chairmen of the five regional groups and by the representative of the host country. The Committee also recommends that consideration be given to limiting each statement to 15 minutes.

39. The General Committee further recommends, at the suggestion of the Secretary-General (ibid., para. 38), that observances and commemorative meetings take place, as far as possible, immediately following the general debate. The advantage of such a procedure is that it may facilitate the participation of dignitaries attending the general debate. This procedure would also allow advance planning of the work of the General Assembly.

M. Special conferences

40. At the suggestion of the Secretary-General (A/BUR/54/1, para. 39), the General Committee draws the General Assembly's attention to recommendation 6 of the Committee

on Conferences, adopted by the Assembly in paragraph (b) of its decision 34/405, which reads as follows:

> "(b) The Committee, taking into account difficulties encountered in ensuring adequate preparation of meetings, including timely distribution of documentation, as well as the ability of Member States to participate fully, recommends that the General Assembly should instruct the Main Committees to review the number of special conferences of the United Nations already proposed and scheduled in their respective fields of activity prior to deciding upon the scheduling of new and additional special conferences, thus bearing in mind the relevant portions of General Assembly resolution 33/55."

The General Committee also draws the Assembly's attention to recommendation 2 (d) of the Group of High-level Intergovernmental Experts,[1] which reads as follows:

> "Until 1978, a number of resolutions had requested that only one major conference be scheduled annually. The decision of the General Assembly that no more than five special conferences should take place in a given year and that no more than one special conference should be convened at the same time should be strictly implemented."

41. Furthermore, at the suggestion of the Secretary-General (A/BUR/54/1, para. 40), the General Committee draws the General Assembly's attention to the relevant provisions of recommendation 4 of the Group of High-level Intergovernmental Experts[1] which reads as follows:

> "The existing principle that United Nations bodies should meet at their respective established headquarters, as provided for in General Assembly resolution 40/243 of 18 December 1985, should be strictly enforced. Whenever the Assembly accepts an invitation from the Government of a Member State to hold a conference or meeting away from established headquarters, the additional cost should be borne in full by that Government. The methods of budgeting these costs should be improved so as to ensure that all additional costs are accounted for."

N. Meetings of subsidiary organs

42. The General Committee, in the light of recommendations submitted by the Committee on Conferences (A/54/313), recommends to the General Assembly, on the strict understanding that meetings would have to be accommodated within available facilities and services, that the following subsidiary organs be authorized to meet during the main part of the fifty-fourth session:

(a) Committee on the Exercise of the Inalienable Rights of the Palestinian People;

(b) Working Group on the Financing of the United Nations Relief and Works Agency for Palestine Refugees in the Near East.

III. Observations on the organization of future sessions of the General Assembly

43. The General Committee draws the attention of the General Assembly to paragraph 17 of the annex to resolution 51/241 which states, *inter alia*, that the "plenary meetings of the General Assembly shall be formally opened every year on the first Tuesday following

1 September". In this connection, the Committee may wish to draw the attention of the Assembly to the report of the Secretary-General on the implementation of resolution 51/241 (A/52/855), in particular to paragraphs 16 and 17 thereof, which read:

> "16. Rule 1 of the rules of procedure of the General Assembly states that the General Assembly shall meet every year in regular session commencing on the third Tuesday in September. Paragraph 17 of the annex to the resolution calls, *inter alia*, for the regular sessions of the General Assembly to now commence on the first Tuesday following 1 September. Rule 1 of the rules of procedure would need to be amended.
>
> "17. In addition, in accordance with rule 2 of the rules of procedure, the General Assembly has, at the beginning of each session, fixed a closing date for the session. In recent years, the closing date has been the Monday before the opening of the next session. Were the General Assembly to retain this practice, the closing date would consistently fall on an official holiday of the Organization, for which financial and other implications may need to be considered. The General Assembly may wish to decide on a closing date ... and for future sessions, that will fall on a working day ...".

44. As a consequence of the provision contained in paragraph 17 of its resolution 51/241, the General Assembly has taken ad hoc decisions concerning the opening and/or closing dates of its fifty-second, fifty-third, fifty-fourth and fifty-fifth sessions:

(a) In paragraph 1 of resolution 52/232 of 4 June 1998, the Assembly decided "that the fifty-second session of the General Assembly shall close on Tuesday, 8 September 1998, and that the fifty-third session of the General Assembly shall open on Wednesday, 9 September 1998";

(b) In paragraph 1 of resolution 53/224 of 7 April 1999, the Assembly decided "that the fifty-third session of the General Assembly shall close on Monday, 13 September 1999, and that the fifty-fourth session of the General Assembly shall open on Tuesday, 14 September 1999";

(c) In paragraph 1 of resolution 53/239 of 8 June 1999, the Assembly decided "that the fifty-fourth session of the General Assembly shall close on Tuesday, 5 September 2000, in the morning, and that the fifty-fifth session of the General Assembly shall open on Tuesday, 5 September 2000, in the afternoon".

The General Committee recommends to the Assembly that it address, during its fifty-fourth session, the question of the opening and closing dates of future regular sessions with a view to deciding on a formula to determine the opening and closing dates of future regular sessions.

45. Taking into account the opening date of the regular sessions, the Committee also recommends to the Assembly a review of the question of the mandatory deadline for the submission to the Fifth Committee of all draft resolutions with programme budget implications.

IV. Adoption of the agenda

46. The General Committee considered the draft agenda of the fifty-fourth session submitted by the Secretary-General in his memorandum (A/BUR/54/1 and Add.1). All the items contained in the draft agenda formed part of the following documents or were added to the draft agenda as a result of General Assembly decisions:

(a) Provisional agenda of the fifty-fourth session (A/54/150);

(b) Supplementary list (A/54/200);

(c) Request for the inclusion of an additional item (A/54/231);

(d) General Assembly decisions 53/488 and 53/489 of 13 September 1999.

47. The General Committee took note of paragraphs 4 and 5 (a) and (c) of annex I to resolution 48/264, which read as follows:

"4. There shall be periodic reviews of the agenda, taking into account the views of concerned Member States, in order to ascertain whether it is possible to delete any item on which no resolution or decision has been adopted for a period of time.

"5. The Main Committees should be encouraged to continue with the review of their respective agendas, taking into account, *inter alia*, the following:

"(a) Agenda items concerning issues of closely related substance could be merged within a single agenda title or be incorporated as sub-items where this is possible without loss of focus on the items/sub-items concerned;

"...

"(c) Biennialization and triennialization of items on the agenda of the Main Committees could be considered in accordance with the relevant resolutions of the General Assembly."

In this connection, the General Committee draws the attention of the General Assembly to paragraphs 23 to 26 of the annex to resolution 51/241. In addition, bearing in mind the extremely heavy workload of the Assembly and the need to make the most effective use of scarce resources, the General Committee took note of the suggestion by the Secretary-General to consider deferring to a later session items for which decisions or action were not required at the main part of the present session.

48. With regard to *item 96* of the draft agenda (Question of the Malagasy islands of Glorieuses, Juan de Nova, Europa and Bassas da India), the General Committee decided to recommend that the consideration of the item be deferred to the fifty-fifth session and that the item be included in the provisional agenda of that session.

49. With regard to *item 166* of the draft agenda (Commemoration of the tenth anniversary of the Convention on the Rights of the Child), the General Committee decided to recommend its inclusion.

50. With regard to *item 168* of the draft agenda (Cooperation between the United Nations and the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization), the General Committee decided to recommend its inclusion.

51. In connection with *item 169* of the draft agenda (Granting of observer status in the General Assembly for the Black Sea Economic Cooperation Organization), the General Committee decided to recommend its inclusion.

52. With regard to *item 170* of the draft agenda (Observer status for the International Institute for Democracy and Electoral Assistance in the General Assembly), the General Committee decided to defer consideration of the inclusion of the item to a later date.

53. In connection with *item 171* of the draft agenda (Need to examine the exceptional international situation pertaining to the Republic of China on Taiwan, to ensure that the fundamental right of its twenty-two million people to participate in the work and activities of the United Nations is fully respected), the General Committee decided not to recommend its inclusion.

54. With regard to *item 172* of the draft agenda (Financing of the United Nations Mission in East Timor), the General Committee decided to recommend its inclusion.

55. In connection with *item 173* of the draft agenda (Armed aggression against the Democratic Republic of the Congo), the General Committee decided to recommend its inclusion.

56. Taking into account paragraphs 46 to 55 above, the General Committee recommends to the General Assembly the adoption of the following agenda:[2]

1. Opening of the session by the Chairman of the delegation of Uruguay (P.1).
2. Minute of silent prayer or meditation (P.2).
3. Credentials of representatives to the fifty-fourth session of the General Assembly (P.3):
   (a) Appointment of the members of the Credentials Committee;
